## POSTERS

At the appointed time, at least one of the authors should be available to answer questions and discuss their work with congress participants.

The size of the poster should be no more than 90cm x 60cm. The top line(s) should give the title of your abstract. The next line(s) should indicate the author(s) and their affiliations. Continue with the introduction, methods, results and discussion as appropriate. The poster should end with your conclusions.

Velcro will be provided for mounting the presentation. Hand-outs, citations and contact details for distribution to interested delegates are always appreciated.

**Please note that we are unable to return posters to presenters if they are left behind at the end of the meeting.**

## ALL AUTHORS

Please note that proceedings may be recorded and published; photographers may also be present throughout the Congress. Any enquires please contact Renata Sarmento, WCMHD Manager [info@wcmhd2014.org](mailto:info@wcmhd2014.org)

## WCMHD AWARDS

### Nick Kitson Memorial Poster Prize 2014.

This Prize will be awarded to the Presenter of the best Poster at the 2014 World Congress in memory of Dr Nick Kitson and his academic legacy.

### John Denmark Life Achievement Award

The above will be awarded in honour of Dr John Denmark in recognition of his time, significant contribution to development of mental health services for Deaf people and for support to Deaf people with mental health issues.

In relation to Dr Denmark, he was a founder member of ESMHD:

- Established first Psychiatric Service for Deaf people in the UK
- He oversaw initial research into the needs of Deaf people with mental health issues in NI;
- He played a major role in initiating the development of services for Deaf people in NI
- The Denmark family are associated with the development of services for Deaf people in NI – Jordanstown school for Deaf and Visually Impaired Children
